Congressman Frank R. Wolf
Congress of the United States
House of Representatives
Washington, DC 20515

Dear Congressman Wolf:

Thank you for your letter of August 2 expressing your support for inclusion of a representative from the Ad Hoc Committee on the CIA Advisory Group.

I spoke this morning with Harry Fitzwater at the CIA who indicates that he is very amenable to separate representation for the Ad Hoc Committee on the Advisory Group. I have also seen Mr. Gray's letter from the McLean Citizens Association to [] recommending that the Ad Hoc Committee be included as a member of the Advisory Group and understand that Senator Warner also supports the Ad Hoc Committee's representation on the Advisory Group. It therefore appears that the principal parties are in agreement and we can now formally appoint all the representatives to the Advisory Group and set that group to work. STAT

We appreciate the leadership role you have taken in this matter and look forward to your continuing support.

Sincerely,

Maurice J. Whalen
President
